Declaration of Inventors Pursuant to 37 CFR §1.131

Sir:

We, Mojtaba Mirashrafi, Michael F. Buondonno, John D. Elliott,
Kenneth L. Keeler, Keith A. Pirkl, Al J. Simon, George L. Taylor, and Mark D. Zuber,
hereby declare that:

1. We are all citizens of the United States of America, and currently
are residents of either the State of Oregon or the State of Washington, in and
around the greater Portland, OR, and Vancouver, WA metropolitan area.

2. We were co-inventors of the subject matters of the captioned
application, as originally declared on or around March 14, 1997 in the oath and
declaration contemporaneously submitted with the filing of the captioned application.

3. To the best of recollection, as refreshed by the enclosed invoicing
report from the Law Firm of Blakely, Sokoloff, Taylor & Zafman, our counsel when

the application was filed, the subject invention was conceived at least as early as September 23, 1996, on which day, the subject invention was disclosed to our counsel in an invention disclosure meeting held and attended by some of us.

4. Since conception, we diligently pursued the invention including rendering the invention into practice, as well as working with attorneys of Blakely, Sokoloff, et al. in preparing and filing the captioned application on March 14, 1997.

We further declare that all statements made herein of our own individual knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above-identified patent application or any patent issued thereon.
